“The goals of Gandharva-Veda concerts are the elimination of pollution, elimination of imbalances, elimination of negative tendencies, elimination of crime, quarrels, elimination of imbalance in the physiology, imbalance in the behavior.

So, all betterment in every way. Better quality of life, better behavior, better health.”

– Maharishi Mahesh Yogi

Reshma Srivastava has been hailed by the US media as a “Superstar Sitarist”. Her performances are acclaimed as “Transcendent, Soulful, and Illuminating”.

Performing professionally for over 30 years, touring in India, Europe, and the USA, Reshma is considered among the top sitar artists in the world today.
